RE: 2022 Audit Waiver Requests

Attached is the 2022 Audit Waiver Request Form. State statute and the Nebraska Administrative Code require local political subdivisions to file annual **audit reports** with the Auditor of Public Accounts (APA) **unless a waiver of the audit requirement has been requested and approved**. If your subdivision will have an audit completed by a CPA firm for the fiscal year ending in 2022, you simply need to file a copy of your audit report with our office within **six months** after the end of your fiscal year and you may disregard the rest of this notice and the enclosed 2022 Audit Waiver Request Form. *(If your subdivision is a housing authority, you have a filing deadline of nine months after the end of your fiscal year).*

If the governing board does not plan to have an audit completed for the 2022 fiscal year, then you must obtain approval from the APA for the audit waiver. We recommend submitting the audit waiver so it is received within **three months** after the end of your fiscal year. We are requesting the audit waiver request be submitted within three months to allow time to complete an audit if your request is denied.

**LB 368 (2021) states in part; If a political subdivision required to file a report with the Auditor of Public Accounts fails to file such report by the applicable due date, the Auditor of Public Accounts may assess the political subdivision a late fee of twenty dollars per day for each calendar day the required report remains not filed. Such late fee shall begin on the day following the date the report is due. The total late fee assessed under this subsection shall not exceed two thousand dollars per filing.**

One of the APA's main criteria when reviewing the Audit Waiver Request Form is the dollar amount of the subdivision's total disbursements (not including inter-fund transfers). An amount of **\$500,000** or greater, in total disbursements is the threshold at which the APA will generally deny the Audit Waiver Request and require an audit to be conducted by a CPA. **{Please note exceptions for waiver approvals when exceeding \$500,000 will be very minimal and generally only considered for Debt Service Type Payments}.**

Please ensure the following is included in the information returned for the request for an audit waiver. **{Please note below the additional required items for Townships and Fire Districts.}**

1. The cover sheet must be completely filled out including the subdivision name, county location and fiscal period used. In addition, there must be names, mailing address, phone number, and e-mail address, as indicated on the cover sheet.
2. The summary statement should include **ALL** cash receipts, disbursements, and balances of the subdivision. This should reflect the actual activity of the subdivision for the fiscal year,

(not estimated or budgeted information). The prescribed form must be used. Please check your addition. If an alternate form is used or this form contains errors, it will be returned to you.

3. Break out your receipts and disbursements as shown on the form.
  - State Receipts and Local Receipts may be reported in total for each of those receipt types, or they may be reported by separately identifying each specific type of State or Local Receipt.
  - If the political subdivision has registered warrants, we would expect to see them on the form, listed under Local Receipts.
4. If you show inter-fund transfers on the form, please include an explanation about why the transfer was done and what funds were involved. “Transfers In” **must equal** “Transfers Out.”
5. Review your prior year’s Audit Waiver Request Form. Your “Beginning of Year Balance” on this year’s form, (lines 2-5) **should equal** the total of the “Ending Balance Consists of” (lines 28-31) from the prior year’s Audit Waiver Request Form (fiscal year ended 2021).
6. The request must include a copy of the minutes from the governing board, which document the board decision to request a waiver of the audit requirement.

**Townships and Fire Districts, Must Include the following Items 7 – 9.**

7. Monthly Bank Statements for ALL accounts (including CD’s) for July 2021 through June 30, 2022, including copies of cancelled checks.
8. Bank Reconciliation for June 2022
9. A copy of **one** regular board meeting minutes, **including claims (bills) approved for payment**, for a meeting that occurred during March 2022 to June 2022.

Please keep a copy of the form for your records.

**The request cannot be processed without the above documentation.**
